APPLYING ETHICS
IN LIFE & END OF LIFE MATTERS

Thursday, January 25, 2018
8 - 11:00 am (Breakfast Included)

PRESENTER:
Peter Ostrow, LMSW, ACSW
Institute of Gerontology Speaker’s Bureau

Let’s face it, ethical decision making can be challenging, on a personal level and on a professional level. Many challenges come into play as we weave ourselves into the job of caregiver, care advisor, friend, family. Learn some tools to make confident ethical decisions and put quality of life first.

LOCATION:
Nottinghill of West Bloomfield, 6535 Drake Rd, West Bloomfield, MI 48322

SCHEDULE:
8:00 am - Breakfast and Registration
8:15 am - Presentation
10:45 am - Evaluation

OBJECTIVES:
• To distinguish between three areas of ethics and their definitions
• To recognize three broad philosophical theories related to ethical decision making
• To recall five foundations of ethical decision making that apply in healthcare
• Recall four ethical rules that apply in healthcare
• Describe what an ethical issue is in practice
• Apply the foundations learned on ethics to case scenarios
