

Strengthen and Enhance your Investigation of Financial Abuse of all Older Adults

Join us **July 21, 2020 at 9 - 10:30 am** Webinar with Dr. Peter Lichtenberg

After years of providing expert testimony to promote the autonomy of older adults and provide protection from financial abuse, I saw a profound need for evidence based interview tools for front line professionals that would be reliable and efficient."

– **Dr. Lichtenberg PhD, ABPP**, Director, Institute of Gerontology
Wayne State University, Detroit Michigan

Validated

Please Join us as Dr. Lichtenberg presents his methods and conceptual framework for the development of the three financial decision-making tools that reside on OlderAdultNestEgg.com. He will detail the person-centered principles and importance of context and informed decision-making that are foundational to their creation. He will share how his team collaborated with Michigan APS to have over 600 caseworkers incorporate these tools into their best practices.

Efficient

Top 5 Financial Decisions that Prompt APS Investigation

*Giving a gift of money • Handing over money to a scammer
Making a significant purchase • Letting someone take over finances
Allowing someone to access personal accounts*

Register early, space is limited! To attend contact, kellygordon@wayne.edu

If you would like to download a PDF of the most frequently used tool by APS workers (Financial Decision Tracker (FDT), prior to our event, you will need to create an account at OlderAdultNestEgg.com and take a brief on-line certification (Approx.30 min for the overview and FDT). Once certified you can the download PDF.

Please note there are absolutely no fees associated with OlderAdultNestEgg.com.

Replicable

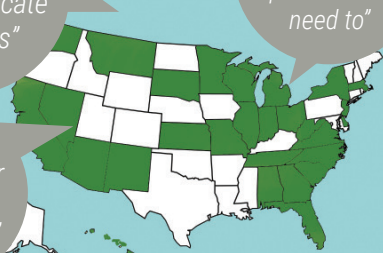

Lichtenberg OLDER ADULT NEST EGG
