

A Year of IOG Community Engagement

(2022/2023 Academic Year)

9,000 older adults

(mostly Detroiters)
attended our virtual conferences
and workshops.

270 CE programs

(virtual and live)
We're on track to increase
that for 2023.

32,000 professionals

received CE credits from our trainings social workers (55%), nurses (30%),
therapists (4%) and case managers (10%) received CE credits from our trainings.
80% of all professionals trained live in Michigan; the other 20
hail from 38 different states.

Our reach to
professionals
and older adults
has grown
10-fold
in the past five
years.
(2018-2023)

**1,400
caregivers age
28 to 87**

attended our
events and watched
our Caregiver
Support videos. Many
are first-time
caregivers dealing
with dementia
diagnosis and frailty.
65% are working
adults who care for
an older parent
along with children
of their own.

The IOG signature
conference
for professionals
**Issues in Aging
resumed live
this April.**

Now in its 36th year,
Issues in Aging
welcomed 280
persons who work
with older adults to
earn 6 CEs for the
full-day program. See
details [here](#) and mark
your calendar to
attend next April!
