

A Year of IOG Community Engagement

(2022/2023)

9,000 Older Adults

Mostly Detroiters
attended our virtual conferences
and workshops

270 CE Programs

Virtual and Live

32,000 Professionals

Received CE credits from our trainings

Social Workers (55%), Nurses (30%), Therapists (4%) and Case Managers (10%).
80% of all professionals trained live in Michigan and the other 20%
hail from 38 different states.

Our reach to
professionals
and older adults
has grown
10-fold
in the
past five years

1,400
Caregivers
age 28-87

attended our
events and watched
our **Caregiver
Support videos**. Many
are first-time
caregivers dealing
with dementia
diagnosis and frailty.
65% are working
adults who care for
an older parent
along with children
of their own.

Our
**Issues in
Aging**
signature
conference
resumed live
this April.

Now in its 36th year,
Issues in Aging
welcomed 280
professionals who
work with older
adults to earn
6 CEs for the
full-day program.
